

To Whom It May Concern:

The Home Again Program provides individuals living in a skilled nursing facility new opportunities to live in the community with the services and supports they need. One of the ways the program assists its participants with the move into the community is by assisting them with the goods and services necessary to establish a community residence. These goods and services include items such as furniture, appliances, etc.. The program needs vendors to partner with the Home Again program in order to provide these items to our clients. This is where vendors like you can help. By partnering with the Home Again program, you can make a positive impact in the lives of South Carolinians and within communities throughout the state.

By filling out the attached sales quote, the program will process the payment and will render a check for the items listed. By agreeing to the sales quote, the prices are good for 45 days from the date of your signature. Please include in your sales quote any taxes, delivery, or installation fees. The program will deliver a check to the vendor. You also agree to accept a vendor check from Public Partnerships, LLC, a vendor company based out of Chelsea, Massachusetts.

We appreciate the opportunity to work with you in making a difference in the lives of our fellow citizens. Should you have any questions, please contact the Home Again program at "homeagain@scdhhs.gov".

Thanks in advance for your support,

Home Again Program
